Mr. Gerald Whitburn

Dear Gerry,

Many thanks for your letter of July 27th. I have talked to Stan about your proposal for him to speak at the University of Wisconsin -- Stevens Point and in Merrill. He does want to do it and we are keeping it in the hopper for early next year. I think once things settle down, i.e., the decision on reorganizing the Intelligence Community is made by the President and implemented -- we will have a clearer look at the future. In any case, we will keep you advised.

Let me know next time you are in the area. It would be good to see you again. All the best.

Sincerely,

[redacted]

Dear Gerry,

Appreciated your note. Wish I could be more helpful with Judge Warren. I think the field has pretty well been narrowed down. Nonetheless, I'll get the dossier into the Attorney General's hands.

I visited Stevens Point a few years ago when driving through Wisconsin on my way to Minneapolis. It's a lovely campus. I would enjoy going up to talk there. I'll keep it in mind for the next opening. I am going to be in the Chicago area in November, but unfortunately I'm too pressed to extend the trip. Perhaps sometime next year will be a more propitious occasion.

I have not forgotten our telephone conversation, but things are still in a state of turmoil here as to the overall-organization.

Best to Charmaine and you from both Pat and myself.

Yours,

STANSFIELD TURNER
